Black Oxide • & More

## CUSTOM SOLUTIONS

- Machine Keys
- Bolts
- Screws
- Nuts
- Washers
- Shafting
- Threaded Rod
- Bushings
- Studs
- Fittings
- Flanges
- Standoffs
- Rings
- Rivets
- Clevis Ends
- Rod Ends
- Turnbuckles
- Eye Bolts

## ENGINEERING SUPPORT

When off-the-shelf is out of the question, our experienced sales technicians and skilled machinists will work with you to visualize your customer's needs so you can deliver exactly what they're asking for.

Our machine shops are designed to make parts that fill gaps in the assortments of our manufacturing principals or special products per custom specification.

## BROKEN BOX QUANTITIES

Don't stock excess product just to meet shipping requirements. Order the amount of parts you need when you need them.

## FREE MTRs & CofCs\*

Material, compliance, and RoHS/REACH certifications available for download from your Account Order History on [huyett.com](http://huyett.com).
